

The Australian Medical Council does not issue copies of original AMC Certificates. However, it will reissue your AMC certificate but is not a certified copy of the original as it will not include all the signatures and the AMC seal. The cost of this service is \$A70 (GST free) – a 0.9% bank card surcharge fee will be added from 1 September 2019. It may take up to 10 working days before a reissue received at an Australian address. **For reasons of privacy, the AMC will not send a reissued AMC Certificate to anyone but the candidate.**
