

## Pre-employment Structured Clinical Interview (PESCI) Provider Data Financial year 2019-20

## Proportion of Candidates Found Suitable by Position Level, FY 19/20

**Key to position level of supervision** (from <https://www.medicalboard.gov.au/Codes-Guidelines-Policies/Supervised-practice-guidelines.aspx>):

### **Level 1 supervision:**

The supervisor takes direct and principal responsibility for individual patients

- The supervisor must be physically present at the workplace at all times when the IMG is providing clinical care.
- The IMG must consult their supervisor about the management of all patients
- Supervision via telephone contact is not permitted.

### **Level 2 supervision:**

The supervisor shares with the IMG responsibility for individual patients. The supervisor is responsible for ensuring that the level of responsibility that the IMG is allowed to take for patient management is based on the supervisor's assessment of the IMG's knowledge and competence.

- The IMG must inform their supervisor at agreed intervals about the management of individual patients
- If the approved supervisor is absent from medical practice, a medical practitioner with general registration and/or specialist registration must provide oversight.
- Supervision must be primarily in person. Where the supervisor is not physically present, they must always be accessible by telephone.

### **Level 3 supervision:**

The IMG takes primary responsibility for individual patients.

- The supervisor must ensure that there are mechanisms in place for monitoring whether the IMGs is practicing safely
- The IMG is permitted to work alone provided that the supervisor is contactable by phone
- The IMG can provide on-call and after hours services.

### **Level 4 supervision:**

The IMG takes full responsibility for individual patients

- The approved supervisor must oversee the IMG's practice
- The approved supervisor must be available for consultation if the IMG requires assistance.
- The approved supervisor must periodically conduct a review of the IMG's practice.
