

AMC CERTIFICATE—ELECTRONIC (Standard Pathway)

From 1 December 2021, the AMC will commence with an electronic AMC certificate process, with a transition period. Therefore, candidates with a pass result obtained during 2021 in either the AMC Clinical Examination or Workplace based Assessment will be issued with a Certificate Request Form to be completed and returned to the AMC for processing.

No more Certificate Request Forms will be issued from 1 December 2021, however the AMC commits to review all previously issued Certificate Request Forms received no later than 31 March 2022.

IMGs *required* to submit their medical degree (final medical diploma/primary qualification) in medicine and surgery for verification. It is important to determine that your medical school as well as your degree title and graduation year is **eligible**.
