The AMC is pleased to announce that scheduling will soon be available to all eligible candidates. The release of in-person clinical exam dates will cover positions available in October & November 2025 at our new state-of-the-art test center in Melbourne.

### Candidates can:

- Schedule through their AMC candidate account using the AMC scheduling application
- Book into a placement via their PC, tablet, or mobile device.
- Select an available examination date and complete the payment process via the Stripe® payment system. This will generate a payment receipt immediately upon booking.

Candidates will need to note that this release is for in-person examinations only. The eligibility requirements for online examinations have been updated. Candidates can view further information on the online eligibility requirements on the [AMC Website](#).

### **Important payment notice method: October & November 2025 Scheduling Release**

For this release, only Visa Credit Cards, MasterCard Credit Cards, American Express, JCB, UnionPay, Cartes Bancaires Mastercard, and Cartes Bancaires Visa credit cards will be accepted. Debit cards will not be accepted as a payment method.

The AMC is currently exploring new payment platforms to assist candidates with future exam fee payments. This process will take some time, as a new payment system needs to be developed and tested to ensure suitability. The AMC aims to have a new payment platform operational by 2026. ‘

As of 1 July 2025, the fee for the AMC in-person Clinical exam will be reduced from \$3,991 to \$3,000 AUD. For more information on this change, please visit the [AMC Website](#).
